

DreamStation Go

Convenience without compromise

DreamStation Go

Whether you're traveling for business or venturing out on the vacation of a lifetime, DreamStation Go provides an easy, reliable and portable PAP experience.

- Our smallest and lightest tubing¹
- Our smallest PAP machine
- Our lightest PAP at less than two pounds
- Complies with FAA requirements²

Packs performance **anywhere you go**

Wherever your travels take you, sleep apnea follows. That's why DreamStation Go is an indispensable travel partner, packs the same performance as our home CPAP machines into a light, streamlined package. It even has a convenient USB port to charge your mobile device.

¹When compared to Philips 22mm performance tubing

²RTCA/DO-160G section 21, category M.

PHILIPS

DreamStation Go

Choose **the mask you want**

Mask compatibility

DreamStation Go gives you the freedom to choose the mask you want! There's no need for you to switch from the mask you are currently wearing at home when using a travel CPAP.

CPAP therapy **even 'off the grid'**

Overnight battery

DreamStation Go's optional overnight battery can help you stay committed to your therapy when you are off the grid. DreamStation Go, set at 10cm of pressure displayed an average run time of 13 hours² when running with the Dreamstation Go overnight battery.

Simple **therapy adjustments**

Intuitive color touch screen

Intuitive color touch screen navigation doesn't require a mobile device app to adjust your therapy.

¹Masks with standard 22mm outer diameter connection
²Battery run times may vary due to higher CPAP pressure settings, excessive mask leakage, altitude, temperature, charging devices with the USB port, and other variables.
