# DreamWear nasal

Like wearing nothing at all\*

DreamWear nasal under-the-nose mask has a soft feel with a unique in-frame airflow and innovative air-tube connection at the top of the head giving you the freedom to sleep in any position.

- The minimal design gives you a full field of vision to read or watch TV before falling asleep. Comfortably wear your glasses.
- The nasal cushion rests under your nose - not over it or on it.
- DreamWear's innovative design\*\* prevents red marks, discomfort, or irritation in the nostrils or on the nose bridge.\*\*
- Design offers more freedom of movement.
- Three frame sizes and four nasal cushion sizes so you can find the fit that works best - and most comfortably - for you
